

For: Flue-Cured and Burley Tobacco State and County Offices

Detail List of Farm Crop Data for History Purposes

Approved by: Deputy Administrator, Farm Programs

1 Overview

A

Background

A two-phase tobacco settlement has been reached between States and cigarette manufacturers. State boards/trusts will disburse Phase II settlement funds in the amount of \$5.15 billion to tobacco farmers. This money is a private gift between tobacco companies, tobacco producers, and quota owners.

These disbursements will be made based in part on who owns the quota and who produced the tobacco. FSA will be involved in the settlement issue to the extent of providing this information to the State boards/trusts as is allowed under FOIA.

B

Purpose

This notice provides instructions for new software that will allow County Offices to provide a Detail List of Farm Crop Data for History Purposes for flue-cured and burley tobaccos. This information will aid the producer in completing any necessary documentation which may be required by a State board/trust.

Disposal Date

February 1, 2000

Distribution

State Office; State Offices relay to applicable
County Offices

Notice TB-947

2 County Office Action

A

Detail List of Farm Crop Data

The "Detail List of Farm Crop Data for History Purposes" software has been developed to provide assistance to tobacco producers and quota owners who may be eligible for Phase II tobacco settlement funds. Upon authorization from the State Office, the County Office shall print and mail the Detail List of Farm Crop Data to each farm operator. Software to print this report is included in County Release No. 415.

B

Printing the Report

County Offices shall print the Detail List of Farm Crop Data for Prior Years according to the following table.

Step	Action
1	ENTER either of the following: <ul style="list-style-type: none">on Menu MKA000 (Flue-Cured), ENTER "3", Revisions and Adjustments of Allotments/Quotason Menu MMA000 (Burley), ENTER "3", Revisions and Adjustment of Quotas.
2	On Menu MAE00 (Flue-Cured) or MMAE00 (Burley), ENTER "9", Operational Reports.
3	On Menu MKAE09 (Flue-Cured) or MMAE09 (Burley), ENTER "15", Detail List of Farm Crop Data for History Purposes.
4	On Screen MKAE09OP,PD.FCTOB or MMAE09OP,PD.BRTOB, enter appropriate printer ID.
5	On Screen MKACB601 (Flue-Cured) or MMACB601 (Burley), enter applicable crop year (ccyy).
6	On Screen MKACB6 (Flue-Cured) or MMACB6 (Burley), enter number of farms which the process is to print. Screen Number MKACB6 (Flue-Cured) or MMACB6 (Burley) will then re-display, showing the number of farms to be printed, and the first and last number of those farms. Note: The system default is 200 farms or the end of the file, whichever comes first. The report will print for all farms selected.
7	Screen MKACB601 (Flue-Cured) or MMACB601 (Burley) will be re-displayed. Enter applicable crop year (ccyy), or PRESS "Cmd7" to end the session.
